Monocle Marquee™
Personal Information Form

This form has preset lines on both sides. It can be used for personal information such as phone numbers, addresses, email addresses, passwords, telephone message codes, garage door codes, prescription information, inspirational messages, etc.

STEP 1 – This form has been created in *Adobe Acrobat* so the form can be hand written only. **Note: Once you open the document from our website, save it on your computer for future use.**

STEP 2 – Print the form, hand write your information in the boxes of the form. **(Note: If you see a box appear that reads, "The margins of section 1 are set outside the printable area of the page. Do you want to continue?" Click Yes)**

STEP 3 – Once printed and filled out, cut along the lines, fold at the dotted Fold Line, and insert into your Monocle Marquee display area.
